

*The University of North Florida
Digital Humanities Institute
Presents the 6th Annual Fall*

Digital Projects Showcase

The annual DHI Digital Projects Showcase provides an opportunity for students, faculty, and staff to share teaching or scholarship practices that make use of information technologies to solve problems in interesting and original ways.

The 2021 DHI Digital Projects Showcase takes place online November 15-19, with several virtual events scheduled synchronously on Friday, November 19.

November 15-19, 2021
